Raymond's prides itself in having one of the areas largest and finest youth bowling programs. Last year more than 150 youth bowlers participated. Bowlers can choose from Saturday morning or Monday afternoon leagues. Saturday morning leagues will have 5 bowlers per team, Monday afternoons will be 3 or 4 bowlers per team. Bowlers may sign-up as a team or individuals. Individuals will be placed on teams with bowlers of similar age and experience.

For returning bowlers, please note the new starting times for the Saturday morning leagues. Both Happiness is Bowling and Stars of Tomorrow will begin bowling at 9:30am this season. This change was made to better accommodate parents with children bowling on both leagues and for bowlers who participate in travel leagues.

To sign up, please fill out the registration form below. An **annual registration fee of \$20.00** is due before the league begins. This fee covers the youth bowlers required membership fee through the United States Bowling Congress, the national governing body of the sport of bowling, t-shirt, and pizza/trophy party at the end of each of the 2 sessions. Some of the benefits of being a USBC member include eligibility to compete in numerous local, state, and national tournaments where youth bowlers can compete for **thousands of dollars in scholarships**, an extensive **awards program** (patches/goals), and a quarterly newsletter.

Weekly fees are \$11.00 and are due each week. This covers the bowlers' lineage fees each week, shoe rental, and a pizza and trophy party at the end of each of the two sessions.

Bowling instruction is available for all youth bowlers from USBC Certified Coaches during league and on an appointment basis.
